Step 1

- Check your email
- Reset Password
- Login

Step 2

Update Profile

1. Once logged in, click “Profile” and then “Edit” to update your profile information. Note: If you have more than one child, you will need to update each profile separately by clicking the “Profile” button at the top.
2. You can edit text in black. Text in grey can only be updated by school staff, who will be available on campus to assist if needed.

Step 2

Update Profile

3. The address field has been left blank as part of the system implementation. Please enter your address in English.

The screenshot shows the 'Profile' page of the ACE Student app. At the top, the status bar displays the time 06:42, signal strength, Wi-Fi, and 100% battery. The page title is 'Profile' with a notification bell and a user icon. Below the title, there is a date field showing '05/09/2017'. The 'Address' section contains five input fields: 'Address' (which is empty and highlighted by a yellow arrow), 'Province' (a dropdown menu), 'District' (a dropdown menu), 'Subdistrict' (a dropdown menu), and 'Zip Code' (which contains '10150'). Below the address section is the 'Father Information' section, which has a 'First Name' field. At the bottom, there is a navigation bar with five icons: Home, Newsfeed, More (highlighted with a blue circle), Profile, and Setting.

Add your address

Step 2

Update Profile

4. Scroll down to the bottom and review the “Allergies” and “Chronic Medical Conditions” sections.
 - a. If your child has none, no action is needed.
 - b. If your child has any, enter the relevant information. You can add more than one entry by clicking the “+Add” button.
5. Remember to click “Save” at the bottom when your updates are complete!

The screenshot shows the 'Profile' page of the ACE app. The 'Allergy to Medication/Food/Others' section is highlighted with a red box. It contains a list with one entry: '1 Medication/Food/Others NONE'. Below this is a 'Specify' field with 'NONE' entered. There are also empty fields for 'Reaction' and 'Treatment'. At the bottom of this section is a purple '+ Add' button, also highlighted with a red box. The bottom of the screen shows a navigation bar with icons for Home, Newsfeed, More, Profile, and Setting.

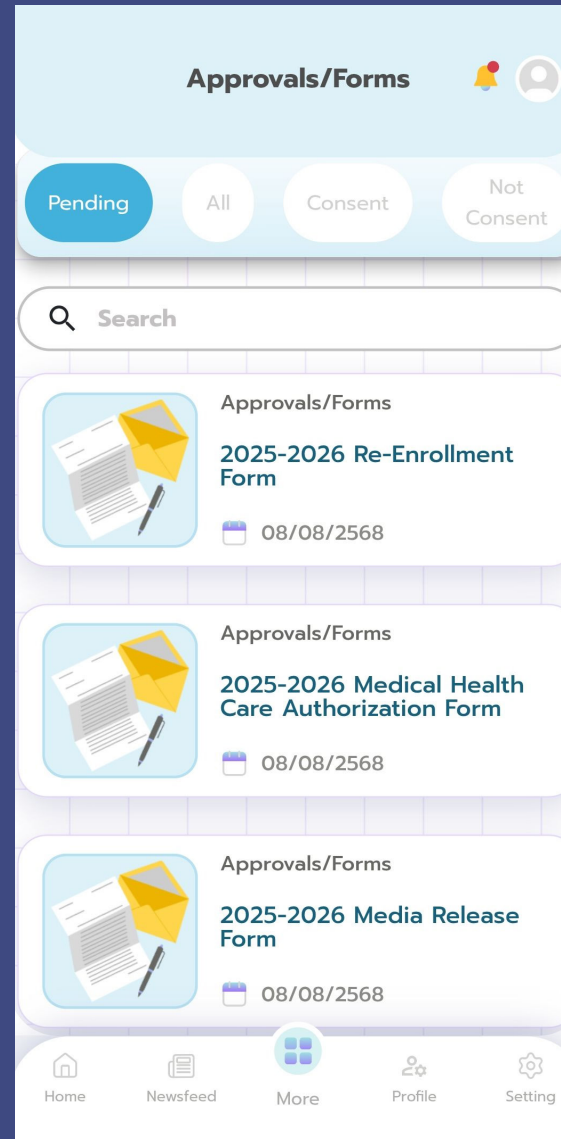

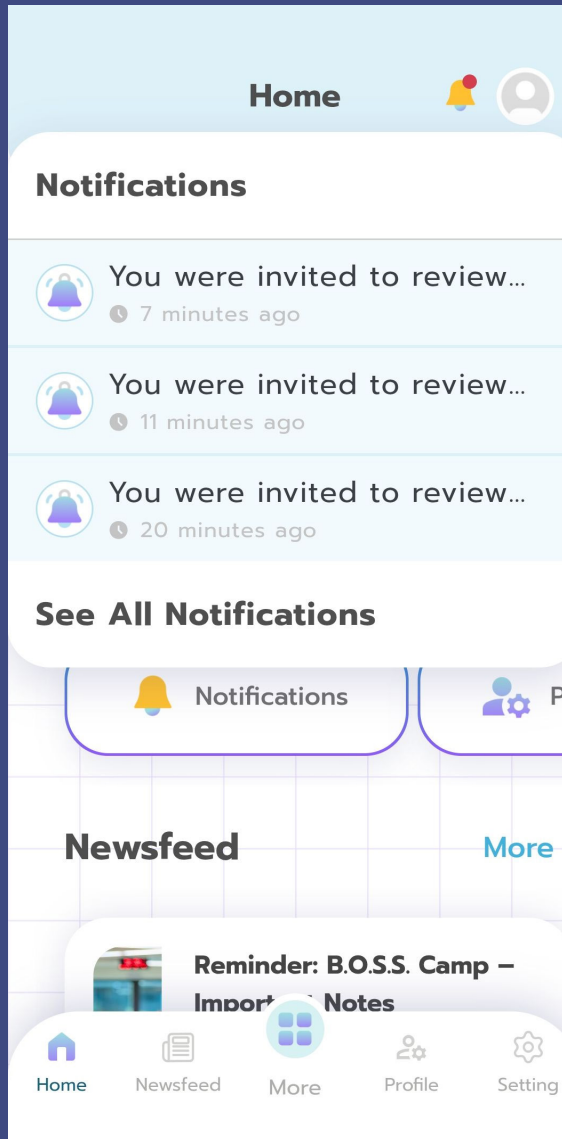

The screenshot shows the 'Profile' page of the ACE app. The 'Chronic medical condition or intensive health care need' section is highlighted with a red box. It contains a list with one entry: '1 Medication/Food/Others None'. Below this is a 'Specify' field with 'None' entered. There are also empty fields for 'Reaction' and 'Treatment'. At the bottom of this section is a purple '+ Add' button, also highlighted with a red box. Below the '+ Add' button is a purple 'Save' button, which is pointed to by a yellow arrow. The bottom of the screen shows a navigation bar with icons for Home, Newsfeed, More, Profile, and Setting.

Step 3 Consent Forms Approval

1. Recheck all the information and sign to consent all three forms available.
